# SPA MONTAGE

*Kapalua Bay*

Welcome to Spa Montage Kapalua Bay, surrounded by the breathtaking mountains of West Maui and the sparkling turquoise waters of the Pacific Ocean. Spa Montage invites you to retreat, unwind and enjoy a rejuvenating journey personalized just for you.

After a few days of exploration on land or in the sea, we invite you to the sanctuary of our spa to experience a Spa Montage signature ritual, The Art of Spa. This hydrotherapy circuit is designed to complement your wellness experience, featuring a variety of water rituals and aromatherapy that will cleanse, stabilize and stimulate the body and optimize the benefits of our other therapies. This mountain-to-sea journey is embodied in the oceanview infinity pool, refreshing eucalyptus steam room, cedar wood sauna and cascading therapeutic waterfall whirlpools.

Spa Montage Kapalua Bay honors the wellness traditions of the Hawaiian culture by offering a unique spa experience reflective of its lush tropical island environment. From the prolific West Maui Mountains to the resplendent Pacific Ocean views, we guide you in unearthing a balance between yourself and nature.

Using the finest ingredients, every treatment and service is highly personalized. Our caring professionals stand ready to exceed your expectations. From lavish caviar facials to holistic wellness therapies, cutting edge fitness and world-class salon and barber services, Spa Montage Kapalua Bay offers an exquisite and unforgettable spa experience.

Our Mauka (mountain) spa experience is inspired by Kapalua's pineapple farming history. Indoor plantation-style spa suites provide a soothing setting for both indulgent pampering and spiritual connection. Customized treatments integrate ingredients that are harvested here in Hawaii.

Our Makai (sea) spa experience honors the Hawaiian lifestyle with private outdoor hale (house) treatment rooms that offer a restorative, tropical oasis. Calming sea breezes will lightly stroke your senses as you enjoy one of our specialty treatments carefully created with rich healing offerings from the ocean.
