**MONTAGE HOTELS & RESORTS ANNOUNCES EXCLUSIVE
LOLA'S APOTHECARY PARTNERSHIP AT SPA MONTAGE**

*First-ever collaboration in the U.S. for UK-based creator of couture beauty and wellness products to feature a
Pure Bliss body experience and Orange Blossom fragrance*

ORANGE COUNTY, CALIF. (November 5, 2019) - Montage Hotels & Resorts announces today a new collaboration between **Spa Montage** and **Lola's Apothecary**, the award-winning, UK-based wellness company known for its natural beauty wonders, handmade by inspired artisans on a picturesque family estate in the heart of the English countryside. The first-ever U.S. partnership for Lola's Apothecary includes new products and services featured on Spa Montage's menus that enhance the onsite wellness experience available to guests at **Montage Laguna Beach, Montage Beverly Hills, Montage Deer Valley, Montage Kapalua Bay, Montage Palmetto Bluff, and Montage Los Cabos.**

Montage Hotels & Resorts hand-picked the perfect spa partner, with trends in wellness gravitating toward organic and natural treatments in combination with science and technology. Lola's Apothecary's ingredients are top-of-the-line, with the company sourcing only from responsible producers dedicated to caring for their produce as well as for people and our environment. Lola's Apothecary are a holder of the prestigious Butterfly Mark awarded by Positive Luxury for their sustainable accolades. They use *100% Natural Ingredients* that are effective, yet gentle. They delight in creating *A Retreat from the Vivid Dance of Life* with moments of sensory indulgence through the power of scent.

The collaboration with Lola's Apothecary is one of many initiatives spurred by Montage International Corporate Spa Director Patrick Huey that are enhancing the Spa Montage experience at Montage Hotels & Resorts.

"I'm excited to be working with Lola's Apothecary to roll out exclusive offerings that will transform our guests at Spa Montage," said Huey. "So many of our guests seek out organic and natural ingredients as part of their wellness lifestyles these days, and Lola's Apothecary has made the purity and quality of its ingredients an essential element of its product line."

Added Dominic Phillips, Managing Director of Lola's Apothecary, "Our new collaboration with Spa Montage presents a wonderful opportunity for us to feature our 100% natural luxury spa products within the U.S. and for guests of Montage Hotels & Resorts to benefit from the wonders we create. As a boutique Spa and Wellness brand, we are thrilled to be working with such a prestigious partner for our U.S. launch, and we look forward to a long and fruitful partnership as we both continue to expand our bespoke offerings for the benefit of clientele."

The Lola's Apothecary offerings designed exclusively for Spa Montage include:

Orange Blossom Signature Fragrance

Lola's Apothecary created a bespoke fragrance blend with Montage Hotels & Resorts' roots in mind. The **Orange Blossom** fragrance, inspired by the brand's California beginnings, is composed of the finest pure essential oils combining uplifting red mandarin, lemon, petitgrain and sweet orange. Orange Blossom unfolds as a warming and uplifting citrus frenzy with euphoric wafts of vanilla, notes of invigorating ginger CO2 extract, as well as the grounding complexity of green cognac. 100% natural and vegan as well, Orange Blossom Body & Massage Oil will be the featured product in a variety of Spa Montage's treatments, such as the **Mezcal Renewal Massage** at Spa Montage Los Cabos.

Pure Bliss for the Body

Lola's Apothecary created the new **Pure Bliss** treatment now available at all Spa Montage locations. Pure Bliss is a head-to-toe experience that starts with a full-body aromatic sugar and salt exfoliation to reveal soft and supple skin. The treatment continues with the pouring of Lola's Apothecary's renowned hydrating body milk to further enhance a full body wrap. During the wrap, guests will receive a scalp massage, followed by a face massage with cooling crystals. To conclude, guests will receive a deeply nurturing, full body and scalp massage incorporating Lola's Apothecary's popular Velvety Whipped Body Soufflé and essential oil fragrance of choice in one of the following signature, all-natural scents, designed to usher guests into a state of deep relaxation:

- Monsoon Paradise – a jasmine-scented feast of citrus, amyris, and lily of the valley heart dressed up with real 24-karat gold
- Sweet Lullaby – a comforting blend of euphoric vanilla and sweet orange grounded by patchouli and spicy ylang ylang fragrantly cocooned with exotic lavender
- Delicate Romance – a sumptuous combination of sweet orange and lemon notes to balance the opulence and indulgence of heady rose and geranium amid fleeting notes of vanilla, patchouli, and sandalwood

About Lola's Apothecary

With a passion for the earth and holistic healing, Lola's Apothecary curates bespoke wellness rituals that become an indulgent part of self-care. Through combining fine fragrance with effective skincare, their natural products are formulated to produce lingering moments of luxury.

Lola's Apothecary's founder Dominic Phillips grew up on a picturesque farm in Devon, with the beauty of the British countryside all around him. That's where his love of nature began, climbing trees and swimming in the River Taw as a child. Another formative part of his childhood was experiencing a spa for the first time on a family holiday in Greece.

Combining these two passions – nature and wellness – Dominic decided to start handcrafting an elevated collection of beauty products inspired by artisans and experiences from his idyllic childhood in Devon. The priority for each of his products would be to nurture the skin of each client, but also to bring a deep sense of calm and relaxation while enjoying them. These are the central tenets of the luxury natural Spa and Wellness brand, Lola's Apothecary.
