Additionally, depending on the room category booked, guests will receive up to a \$200 daily resort credit for use toward terroir-to-table dining, nature-inspired treatments at Spa Montage, recreational experiences throughout the property and more.

“Montage Healdsburg will truly be a special place in Sonoma County, bringing a long-awaited ultra-luxury wine country resort to the region,” said Allen Highfield, general manager of Montage Healdsburg. “Situated on 258 acres, the resort is naturally designed for social distancing. We look forward to introducing our guests to the charm and history of Healdsburg while offering the renowned hospitality and state-of-the-art amenities for which the Montage brand is so well known.”

As Montage’s first Northern California resort, the ultra-luxury retreat features world-class amenities including an 11,500-square-foot spa, a zero-edge resort pool, three signature dining options inspired by the region’s culinary heritage and a wealth of experiences in addition to seamless access to Sonoma wine country’s renowned wineries and outdoor pursuits.

Accommodations

With every guestroom featuring an outdoor experience on a balcony or deck, 130 bungalow-style guestrooms and suites built with organic materials including stone, wood and copper blend contemporary influence with environmentally conscious design. Key features of the guestrooms and suites include floor-to-ceiling windows with views of the surrounding heritage oak forest; marble bathrooms appointed with a bathtub and separate walk-in shower; custom-made honor bars made to house prized wines; and while many patios include a fire pit, all include a small dining table, day beds, lounges and chairs.

The crown jewel of Montage Healdsburg is [The Guest House](#), the resort's top suite. The modern retreat offers three bedrooms and more than 4,600 square feet of combined indoor and outdoor space to rest, relax and entertain. Elevated high on a knoll, The Guest House features breathtaking views of Mount Saint Helena and rolling vineyards of the Alexander Valley, including vines from Silver Oak and Jordan wineries. Lush gardens connect one room to another, while a large outdoor hot tub invites guests to soak and luxuriate under the oaks.

Dining

True to the region's tradition of culinary excellence, Montage Healdsburg offers a variety of refined dining experiences that celebrate the bounty of the surrounding land. Signature restaurant **Hazel Hill** invites guests to savor creative California cuisine with French influence, highlighting locally sourced ingredients with seasonal flavors in a warm, welcoming setting complete with an interactive expo kitchen, exhibit pantry, al fresco dining area and wine bar.

As the lobby centerpiece, **Scout Field Bar** welcomes guests with creative cocktails, local craft beers and comforting French-infused bites to share. Live music and a glowing fireplace set the mood for pre-dinner cocktails or evening nightcaps.

For those lounging poolside, the warm-weather seasonal **Hudson Springs Bar and Grill** features a menu of fresh seafood ranging from the catch of the day to a selection of raw and barbecued oysters, as well as other classic poolside fare and a selection of colorful cocktails.

The resort also offers the **Healdsburg Country Store**, a gourmet grab-and-go market where guests can find an abundance of locally made goods and specialty foods such as barista-crafted coffees, pastries, salads, sandwiches, fresh-pressed juices, regional wines and artisan gifts.

Wine

Montage Healdsburg provides a perfectly situated launching pad to discover iconic wineries in the Alexander Valley, Dry Creek Valley and Russian River Valley appellations. Through a handful of close partnerships with elite local vineyards, guests can discover the craft of winemaking through exclusive, private tastings and tours, which are personalized to allow for a truly immersive understanding of the essence of each vintage, the nuances of the grapes and the art and science behind each winemaker's philosophy.

The resort itself features 15.5 acres of rolling vineyards, all overseen by internationally renowned partner and winemaker Jesse Katz. Malbec, Merlot, Petite Verdot, Cabernet Franc, Cabernet Sauvignon, and Sauvignon Blanc grapes are grown on-property and bottled at Katz's Aperture Cellars Winery Production Building, located just six miles from the property. Exclusive to guests of Montage Healdsburg is the opportunity to join Katz for tastings at Aperture Cellars winery.

Spa Montage

Elevated 20 feet above the grapevines, **Spa Montage Healdsburg** is a secluded sanctuary that reflects the natural serenity of the region through treatments and wellness experiences inspired by the land. The 11,500-square-foot retreat features an array of services and amenities including 11 treatment rooms, state-of-the-art fitness facilities, a zero-edge pool, the full-service Salon Montage and the sunlit Yoga Garden situated within the vineyards. Guests can enjoy a fully immersive wine country workout via the resort's partnership with Core Yoga, offering 100% sustainably sourced cork yoga mats.

Spa Montage's expert providers use a variety of relaxing, effective techniques during massage, facial and body services and botanical blends crafted from plants around the property to enhance treatments with the soothing, abundant energy of the land in wine country. A variety of advanced facial therapies by Valmont are also available.
