Classes are open to members only, and reservations are required. Sign up on the member website. Full class descriptions are also available on the member website.

**Authentic Mat Pilates** – A combination of strengthening core muscles and increasing flexibility. Pilates focuses on balance and coordination while using breath and control to work through movements with precision and flow, creating a whole body workout. Class will occasionally incorporate arm weights and magic circles for additional resistance.

**Core Fusion** – A complete core conditioning experience inspired by a fusion of Pilates, strength training and yoga designed to lift, tone and sculpt.

**Cycling/Strength/Stretch** – For beginners and seasoned cyclists alike, this class is designed to provide you with the optimum in fat burning and strength building, this ride will simulate varied terrain as you tackle rolling hills, sprints and other drills to give you a great interval workout.

**Foam Roll & Stretch** – We will work deeply into the muscles to release muscle tension, identifying problem areas and focusing on releasing tension. In a progressive series of exercises, we will move through the upper and lower extremities, the spine, and the hips.

**Functional Fitness** – Functional fitness exercises train your muscles to work together and prepare them for daily tasks by simulating common movements you might do at home, at work or in sports. While using various muscles in the upper and lower body at the same time, functional fitness exercises also emphasize core stability.

**Functional Mat Pilates** – Improve your core strength, flexibility, stamina, posture and balance simultaneously! All fitness levels are welcome.

**High Intensity Interval Training (HIIT)** – This class is designed to add intensity and variety to your workout while enhancing your cardio and strength training with alternating short, very high intensity intervals and longer, slower recovery intervals.

**Indoor Cycling** – Ideal for seasoned cyclists, this class is designed to take your ride to the next level.

**Meditation** - Practice basic techniques of mindfulness to manage stress, enhance concentration, and quiet mental chatter. Explore breathing exercises, guided meditations with specific focuses, and restorative postures, and other resources to access peace in daily life.

**Pilates Body Sculpt** – Suitable for all levels, this class incorporates balls, bands, and Pilates rings into basic Pilates exercises.

**Stretch/Mobility/Balance** – This 45-minute class focuses on stability and mobility exercises as a part of a functional fitness training regimen.

**Sunrise Yoga** – Awakens your senses and begins the day with an invigorating and energizing Vinyasa Flow class. A flowing series of dynamic postures designed to physically and mentally awaken your body and mind.

**Tabata Interval Training** – Through a variety of simple, yet intense exercises, each class will blast the calories and provide noticeable results in a short amount of time.

**Yoga Flow** – A fun, steady-paced class for students with some yoga experience looking for new ways to explore and deepen their practice.
